Wilsonian

1948 - 1949

FORWARD

A YEARBOOK PRESENTS IN PICTURE AND WRITING A PORTRAYAL OF LIFE DURING A CERTAIN STIPULATED PERIOD. OUR YEAR COMMENCES WITH FALL OF 1948 AND ENDS WITH THE SPRING OF 1949. DURING THIS PERIOD WE HAVE SOUGHT TO BRING TO WOODROW WILSON STUDENTS, A COMPLETE AND COMPREHENSIVE VIEW INTO THE CENTER OF WILSON'S ACTIVITY.

WE HAVE SINCERELY TRIED AND HOPE WE HAVE SUCCEEDED, IN RECORDING THE THINGS CLOSEST TO THE SCHOOL AS A WHOLE, AND NOT JUST PARTICULAR GROUPS. WE HAVE WORKED TO INCULCATE NEW ADDITIONS TO THE YEARBOOK, AND WE WILL BE JUSTLY REWARDED IF YOU, THE POSSESSOR OF THIS BOOK, CONSIDER IT AS PART OF YOUR "WILSON MEMORIES."

"LONG AGO AND FAR AWAY" 1945

Class of '49
PAST, PRESENT, and FUTURE

The Senior Class of '49 has been a very energetic class. As freshman in 1946, they already began to show their spark of energy. Leading their classmates in that year were: Bob Wiles as President, Barry Kline as V. President, Peggy Ort as Secretary, and Bob Pinckert as Treasurer. One of the most outstanding events they held that year, was a Blue Jean Dance, which was a very successful dance, for freshman to be considered "greenies" of high school.

In their sophomore year, the class was still going strong. The officers of this year, as well as last, proved themselves worthy of their leadership. These were: Shirley Buck as President, Barry Kline as V. President, Dorothy Smith as Secretary, and Jim Talboon as Treasurer. The sophomores sponsored the first dance called the 'Harvest Hop'. It was the most successful dance of the school year.

1948 was a year full of activities for the juniors. Everyone was looking forward to the prom, which was held on May 1st at the Elkhart Hotel with Jimmy McPhee and his orchestra. Delcious southern fried chicken with all the trimmings was served with satisfaction to everyone.

On February 4th, the juniors put on their annual class play "Almost Summer," which was directed by Mr. Galen Dickey. The successful play drew a capacity crowd. A cast party was held later at the home of Barry Kline, which I am sure, everyone will remember.

The class officers of that year were: Shirley Lundquist as President, Barry Kline as V. President, Betty Slott as Secretary, and Ruth Johnson as Treasurer.

Coming to the finale of a high school education, are the seniors of 1949.

To open the season of school activities, the seniors sponsored the first dance, "The Kick-Off," in honor of the freshmen.

The climax of the football and basketball season was the Inter-Class tourney. In the final game on March 3, the senior "Wolves" beat the junior "Rascals" 53-36.

The senior play, "A Case of Springtime" was held on November 5. The play was a success, and the credit went to Mr. LeRoy Compton. A party was held in the school afterwards for the whole senior class.

A very appropriate class motto was chosen by the seniors, "What ever is worth doing, is worth doing well." The class flower is an American Beauty Rose, and the class colors are, royal blue and white.

Doing a capable job in directing their class were: Barry Kline as President, Betty Gilpin as V. President, Betty Slott as Secretary, and Shirley Buck as Treasurer.

We can look back on our four years of high school and remember all our joys and sorrows. Here we grew up, and learned to be men and women. Now we will be able to cope with whatever the future brings us.

CLASS PROPHECY

I HAVE BEEN OVER IN PARIS FOR THE LAST 10 YEARS, AND I THOUGHT I WOULD RIDE OVER ON MY MAGIC CARPET AND SEE HOW THE CLASS OF '49 IS GETTING ALONG.

AS I WAS FLYING OVER SOUTH BEND, I SAW "JACK'S LIQUOR STORE," OWNED AND OPERATED BY JACK SWIHART, HE SAID THAT FRANK SZITA WAS DOING VERY WELL IN HIS CON STRUCTION COMPANY. HE HAS CALVIS MAYFIELD WORKING WITH HIM, BECAUSE HE AND ADRIENNE CHERNITS ARE NOW SUPPORT-ING THREE CHARMING CHILDREN. I DROPPED INTO THE EL TROPICO AND HERE WAS NONE OTHER THAN GERMAINE SOKOLA AND WAYNE McDUFFIE BALLET DANCING TO THE MUSIC OF BETTY GILPIN'S ALL GIRL ORCHESTRA. I DECIDED TO GO TO THE HOSPITAL TO SEE WHAT WAS NEW, AND THERE WAS DOLORES Mc-CLONE, THE HEAD NURSE, TREATING THE NURSE'S AIDS PRETTY ROUGH. SHE TOLD ME THAT ROSE CORTHIER HAD JUST RETURNED FROM HER NATIVE COUNTRY, BELGIUM, WHERE SHE IS WORKING AS A MODEL. THE SOUTH BEND TRIBUNE IS STILL GOING GOOD WITH RICHARD SCHERPEREEL WORKING AS ARTIST ON ONE OF HIS COMIC STRIPS. BACK IN MY OLD HOME TOWN, I DECIDED TO LOOK AROUND. WELL, WHAT DO YOU KNOW? THERE IS AL SZCZYPIORSKI DIRECTING TRAFFIC. WHO'S THAT HE'S LEAD--

161

ING ACROSS THE STREET? WHY, THAT'S PAT HARMAN TELLING HIM ALL ABOUT HER NEW JOB AS MANAGER AT GRANTS.

MARY ANN BILINSKI IS STILL IN COLLEGE, AND SHE HAS HIRED RUTH JOHNSON TO TYPE ALL HER HOMEWORK FOR HER.

TIRED OF ALL THESE FAMILIAR SCENSES, I SAILED THRU THE AIR INTO THE HILLS OF ALABAMA. THERE EVELYN KORPAL CAME OUT OF THE HOUSE AND TOLD 2 LITTLE WELL-DRESSED CHILDREN TO COME IN FOR DINNER. SHE AND HER HUSBAND SEEM TO BE DOING VERY WELL ON THEIR LITTLE FARM. GOING ON TO A SMALL THEATER IN PHILADELPHIA, I AM SHOCKED TO SEE BETTY LEWIS PERFORMING ON THE STAGE. I GUESS SHE FINALLY OVERCAME HER BASHFULNESS.

WONDERING HOW WASHINGTON AFFAIRS WERE COMING ALONG, I AMBLED OVER TOWARDS THE WHITE HOUSE. WHAT'S THIS? JACK BOURDON, PRESIDENT? THE LAST TIME I HEARD, HE WAS ONLY SENATOR. SHIRLEY BUCK WHO HAS BEEN IN A REDUCING SALOON FOR 8 YEARS, NOW RUNS IT. SHE TOLD ME THAT ELSIE MOSTETTER NOW RUNS A SEWING CENTER IN LAPORTE AND LIKES IT VERY WELL.

WHO'S THAT OVER ON THAT LONELY ISLAND? WELL, WHAT DO YOU KNOW? IT'S NONE OTHER THAN SHIRLEY LUNDQUIST TRYING TO GET A SUNTAN. OVER IN HOLLYWOOD, DOROTHY SMITH IS JUST TAKING HER SCREEN TEST, GUESS SHE'S TRY-

ING OUT FOR A LEAD PART PLAYING OPPOSITE BARRY KLINE.

IN THE DISTANCE I CAN HEAR A SWEET VOICE. AH, IT IS DELCIA WHITE, A SLIM BLONDE, WITH MUSIC PROVIDED BY JIM HAMANN'S ORCHESTRA, WITH DORIS KECK ON THE SAXOPHONE.

GETTING TIRED OF MY MAGIC CARPET, I ROLLED IT UP AND CLIMBED ON THE BUS. THERE GEORGE PINCKERT ASKED ME FOR A DIME, SO I GOT OFF AND STARTED OUT ON MY MAGIC CARPET AGAIN.

I DECIDED TO TRY TO GET A TAXI-CAB UPTOWN, BECAUSE, YOU SEE, WITH ALL THE HELICOPTERS AND EIGHT-MOTORED PLANES FLYING AROUND THESE DAYS, IT ISN'T SAFE TO FLY THROUGH THE CITY ON A LITTLE OLD MAGIC CARPET.

SO I GALLANTLY HAILED A TAXI. WHO SHOULD SQUEAK TO A FRANTIC STOP? NO OTHER THAN TINK BATES. HE TOLD ME ABOUT HIS BUSINESS BEING SLOW BECAUSE PEOPLE WERE BUYING TO MANY AIRPLANES LATELY. I ASKED HIM IF HE KNEW WHERE I COULD GET INSURANCE ON MY MAGIC CARPET AND HE DIRECTED ME TO THE OFFICE OF BETTY SLOTT. IT SEEMS BETTY HAS DONE WELL FOR HERSELF-GUESS WHO SHE HAS AS HER PRIVATE SECRETARY? YES IT'S SHIRLEY MYERS. SHE MAKES A VERY STUNNING SECRETARY.

BOB PINCKERT AND CASIMER PINKOWSKI HAVE STAYED PRETTY MUCH IN THE SAME BUSINESS. THE TWO NOW ARE BASKETBALL COACHES. AS I LEFT THEM I SAW AN AD FEATURING DICK WILLIAMS AS A FAMOUS DARE-DEVIL DRIVER. IT SEEMS HE NEVER DID LOSE HIS LOVE FOR HOT RODS.

PHYLLIS SHERRILL SEEMS TO HAVE HIT THE JACKPOT AS A COMMERCIAL ARTIST, SHE IS NOW LIVING IN A PENTHOUSE IN NEW YORK. AS I CAME TO THE END OF MY LIST, I SAW THAT OLIVE PLUMB STAYED IN HER LINE OF WORK AT WILSON, SHE IS NOW EDITOR OF A FAMOUS MAGAZINE AND SHE HAS MARGIE MEARS WORKING FOR HER AS CHIEF HAIR STYLIST.

WHAT'S THIS WE HEAR? IT SOUNDS LIKE RHUMBA MUSIC. YES, IT'S COMEING FROM THE RHUMBA PALACE, OWNED BY JOAN COUGHENOUR. SHE ALWAYS DID LOVE DANCING.

NOW, AS I NEAR THE VERY END OF MY JOURNEY, I HEAR THAT PROFESSOR EUGENE MERRILL IS DOING VERY WELL AS PRESIDENT OF A LARGE COLLEGE BACK IN THE EAST.

HOME EC.

Things have been rather different this year at the cottage. While the senior class decorated, and painted a few rooms, classes were still going on, but it was managed very well.

Each class had their sewing and cooking while junior girls had a period of Home Nursing. The girls in Home Economics were very proud of their interior decoration job.

LIBRARY

Our library is fast developing into something big. Many new books come in, bringing mystery, love, adventure, and drama.

Mrs. Marjorie Jones is always around to answer your questions as to where to find a book or a reference. Her helpers in the library are June DeMorrow and Beverly Large.

GLEE CLUB

One of the most "looked-forward-to" subject when school starts, is glee club. This can be easily seen by the enrollment of sixty-five girls. Not only do the girls enjoy performing before the school and parents, for such things as P.T.A., Christmas, Commencement, etc.; but the student body also looks forward to the entertainment given them.

Under the direction of William Swyers, the three-part chorus has been a great success. Betty Gilpin, Shirley Parks, and Delcia White, the accompanists, also play a leading part in this club.

All in all, we are proud of our club and know it will always be an outstanding part of school life.

BAND AND ORCHESTRA

The school band is under the capable direction of Mr. William Swyers.

There have been many new changes this past year. We now have a dance band for our school, along with plenty of new music.

The band played at several activities--football games, basketball games, commencement, baccalaureate, and pep assemblies. They also sponsored a minstrel show in November.

HI-Y

At the start of the '49 school year the 8 Hi-Y seniors had a bang-up time initiating 16 new members, these boys all coming from the junior class.

During the basket-ball season, the Hi-Y, through the efforts of Cal Mayfield and Cas Pinkowski, kept the names of the players of our school and participating schools on the board in the gym for the benefit of the fans.

On March 18, the Hi-Y held a dance which was, in general, a successful event.

Officers are elected at the end of the year by the senior members.

Officers for this year were as follows:

Sponsor -- Mr. L. Compton
President -- Calvis Mayfield
V. President -- Barry Kline
Secretary -- Dick Scherpereel
Treasurer -- Robert Pinckert

MODERN DRY CLEANING and COLD STORAGE in Ardmore

Dear Reader,

In a few months, the weeks of woe, days of distress, hours of exertion, and seconds of satisfaction will fade into happy remembrances as we the Seniors of 1949 graduate and go down the walk, our high school days completed. However, we the surviving seniors of the Wilsonian staff, wish to express our appreciation to the High School Press, Grzywienski and Lockridge Studios, Advertisers, Mr. Dickey, our sponsor, and the students and faculty of Woodrow Wilson High School for their excellent assistance and understanding while we prepared for publication our humble opus.

Toulon Outflanked; Approach Marseille

By United Press.

ROME, Aug. 19.—American assault forces broke into the outer suburbs of the great French naval base of Toulon today and a front dispatch predicted its fall this week end.

While American tanks and infantry drove to within five miles or less of Toulon in an assault from the northeast, another American column outflanked the base from the north and threatened it with encirclement in a lunge that carried to within perhaps 25 miles of Marseille, France's largest port and second largest city, against feeble resistance.

United Press War Correspondent Reynolds Packard, in a dispatch dated "Seven Miles From Toulon," said American forces stabbing through Le Roquebrussanne, 14 miles north of Toulon, toward Marseille were having difficulty maintaining contact with the fleeing Germans.

Germans Destroy Bridges.

Stiffer resistance was being encountered in the frontal assault on the naval stronghold and German engineers have blown up all bridges leading into the city.

"Looking down from mountain heights on the silhouette of Toulon in today's haze of smoke and powder and seeing troops of all kinds from French infantry to American doughboys, supported by tanks, closing in, I believe Toulon is likely to fall this week end regardless of the stand the Germans may make," Packard said.

At the eastern end of the five-day-old beachhead, other American forces were believed to have reached the Cannes airfield.

Both American and French forces scored new gains inland and Gen. Sir Henry Maitland Wilson, supreme allied Mediterranean commander, announced in his communique the bridgehead now totaled more than 1,000 square miles in area, believed the largest terrain ever liberated in so short a time by an amphibious invasion.

Sink Destroyer.

Sweeping on ahead of the advancing ground forces, Mitchell medium bombers sank a destroyer and a submarine and scored destructive hits on the 26,500-ton battleship Strasbourg and a cruiser of the 7,600-ton La Galissoniere class in Toulon harbor yesterday.

CAPEHART HITS SURPLUS PLANS OF NEW DEAL

By Associated Press.

KOKOMO, Ind., Aug. 19.—Homer E. Capehart, republican senatorial nominee, told a political gathering here yesterday that the new deal's present plan for disposing of surplus war materials will bring a protracted period of unemployment.

Capehart quoted a recent statement by Representative Charles Halleck (R., Ind.) charging that "only 11" of the 172 top executives in the organization designated by the administration to supervise disposition of surpluses had ever had "the slightest merchandising experience."

This, Capehart said, was a sample of the administration's "plan" to freeze out American labor from the "disposition of surplus government property."

"While the new deal is making colorful promises on one hand of how it plans to keep American labor fully employed," Capehart declared, "on the other hand it is espousing a plan which it is ap- [illegible] to a child, will throw labor

F. D. R. TO MAP HIS STRATEGY

Will Meet Publicity Chief Soon to Make Plans.

By United Press.

WASHINGTON, Oug. 19.—Democratic national campaign plans moved into the grand strategy phase today with a meeting expected to take place soon between President Roosevelt and Democratic National Chairman Robert E. Hannegan, their first since the Chicago convention.

The president yesterday put his approval on plans for his running mate, Senator Harry S. Truman (D., Mo.), to open his share of the campaign with notification ceremonies Aug. 31 at Lamar, Mo., his birthplace.

Now the president, as chief strategist of the party, presumably was ready to turn his thoughts to his personal part in his campaign to win reelection to a fourth white house term.

'No Political Campaign.'

The president served notice in his acceptance speech broadcast to the Chicago convention that he would not, because of preoccupation with the war, make a political campaign in the customary manner, in coast-to-coast speaking tours.

Truman said after his conference with the president yesterday that his own second speech will be made at Detroit, Mich., on Labor day, Sept. 4, and he hoped there wouldn't be many more after that.

Asked in view of the president's statement, who was going to do the campaigning, Truman
